* Residential remodeling contractors are defined here as companies deriving the majority of their revenue by providing homeowners with a single source for remodeling projects that require a variety of construction trades. The listing only includes those companies where 51 percent or more of their Atlanta revenue is from full-service home-remodeling projects. Specialty trade contractors are not included.
~ Includes residential remodeling revenue only, which may include revenue from design and construction for home improvement; does not include revenue from new-home construction or commercial projects.
^ Company submitted a statement of verification supporting figures.
NA - Not available or not applicable
